# **STORE MANAGER**

**For our store in Milton Keynes**

This is an exciting opportunity for a truly talented retail manager. You will be responsible for managing a unique 10 000 sq ft saddlery store. You will have a proven track record in retail management along with a commitment to achieving consistently high standards of customer service. You will be able to inspire and motivate your team to meet and exceed sales targets. Your team training will be up to the minute as well as your computer literacy, stock control, budget analysis and visual merchandising. You will also be a champion of company policy and procedures.

You will have a real 'can do' attitude, be able to cope well under pressure and thrive in a challenging environment. This is a role for someone who wants to make a difference in a growing business.
